**BARRINGER HIGH SCHOOL**  
NEWARK, NEW JERSEY

# DEDICATION

## DR. ROGER B. SAYLOR

The Class of June 1957 proudly dedicates its yearbook to our beloved and respected principal, Dr. Roger B. Saylor. His wise judgement and willingness to help has won the admiration of all his students. He has encouraged us to develop potentialities to become better future citizens, parents, and leaders of the community. After years as the guiding light of Barringer High School, he retires from his profession to take his place among the legendary figures of our Alma Mater. The warmth and glow of his energetic personality will linger in Barringer's hallowed halls for future generations to admire.

Fine men can lead, but only great men can inspire . . . as does our revered principal.

## Dr. Roger B. Saylor

PRINCIPAL

Great progress has been made in the past but more progress was made in the last half century than in all the years before this time. Greater things are in store for all of us in the future. Advancements will be made by you who are modern pioneers. It is the spirit of the pioneer which has made this country a great country. May each of you be a modern pioneer.

## Ephraim Eisenberg

VICE PRINCIPAL

You are the "heirs of all ages, in the foremost files of time." Carrying the accumulated experience and knowledge of the past and the responsibility of applying this knowledge to the complex problems of today can be a burden. Or it can be a challenge. From the earliest days we have been a nation of pioneers responding to the lure of the unknown and the unconquered. Today's conquests are no longer merely physical but include also unexplored and unconquered areas of vast and crucial social and international maladjustments and of staggering fields of scientific and philosophic developments. May you have the strength and courage to respond to the age-old American challenge.

"Have the elder races halted?

Do they droop and end their lesson, wearied over there beyond the seas?

We take up the task eternal, and the burden and the lesson,

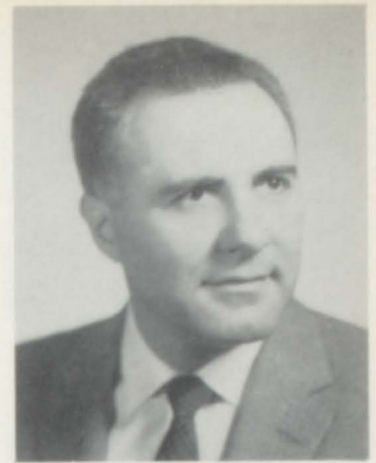

Pioneers! O Pioneers!"

# CLASS HISTORY

It seems like it was only yesterday that we first walked into Barringer. There in the auditorium, we first became acquainted with Dr. Saylor and made many lasting friendships. As freshmen, we found it hard to find the classrooms, and with the help of the seniors, never found them. We also learned the "bridge" wasn't something in the park. The last straw, however, was Mr. Merkin's occupations tests, when we found we were qualified to be garbage collectors. The biggest thrill of our freshman year was our first pep assembly, and sitting there joining in the cheers made us feel as if we really were part of Barringer.

As sophomores, we were introduced to Biology, and all the girls could do for weeks was talk about "those worms". We all enjoyed ourselves, I'm sure, translating Caesar in our Latin classes. Our wide-eyed girls sat at football games watching every step the twirlers and cheerleaders made, with great hope of soon taking their places.

At last we were upper classmen. We returned to school with our Olympic Park tans, and settled down into the school routine. Pride in our class grew as we began to organize. We were very happy when we learned Mr. Shulman and Miss M. Smith were to be our class advisers, and we elected Jack, Richie, Jodie and Grace to lead our class. We decided not to wait until we were seniors to launch our class into the social swing, so we planned a 3A Social. Who could forget the sight of Mrs. Shulman teaching the boys how to polka in the girl's gym. Our Social was a success and we looked forward to our senior class dances. A sudden disease struck our class called "ringitis" and nobody could walk by the Juniors without looking at their class rings. Nina, Joan, Joe, Jodie and Dotty were elected to be the executive staff of the Student Council, and it seemed as if the Juniors were really coming into their own.

We could scarcely believe the day we had waited for so long was finally here. We were Seniors! It seemed our classmates were everywhere and in everything. At the football games, Nancy, Ann, Jeanine, Theresa, Gaytha, Barbara, Teddy, Jodie, and Dorothy showed us how good cheering should be done, and drew raves from everyone. Arlene, Janet, Phyllis, Nina, Louise, Dorothy, and Marie, caused quite a stir every time they did their twirling cha-cha routine on the field. But it was our great football team and their perfection on the field that really aroused the admiration of everyone. Bruce, Tommy, Johnny, Joe, Kenny, Cal, Richie S., Richie M., and Rocky sparked the team on to victory and brought home the City Champs Crown.

Our excitement turned to another channel as we began to prepare for our first dance, the "4B Fall Fantasy." With our hilarious skit, homemade cookies and beautiful decorations, our dance couldn't have been anything but a success.

The biggest thrill of all was when we marched into the auditorium and took our 4A seats. What, no poles?

As everyone said it would, the time just flew by. Soon another song was being sung by the seniors, it was called "do you want to buy an ad?" Yes, our yearbook was on the way and it promised to be a success.

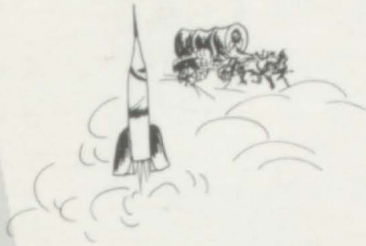

Our 4A dance will always be remembered as our last dance and the best one we ever attended. At the "Aloha," the senior girls wore leis to carry out the Hawaiian motif.

There suddenly seemed to be an awful lot of cars around Barringer, and if you looked to see who almost ran you over, you would see the senior girls were the proud holders of drivers' licenses. Norma and Lenny became our class chauffeurs and there were only minor casualties.

Spring was in the air and the love bug was certainly working overtime. Rings on chains were cropping up among many of the senior girls. If this wasn't bad enough, everyone had to watch out for detective "Shultzie" De Santis who was our "Barney" editor.

The night of June 19 came all too soon, and there wasn't a dry face among the seniors on our beautiful graduation night. Not only were we sad at the thought of leaving Barringer, but our beloved principal, Dr. Roger B. Saylor, retired with our graduating class. But there was no time for tears the night after graduation. The girls, beautifully dressed in their gowns, and their dream men garbed in tuxedos had a wonderful time at the senior prom held in the Belmont Plaza Hotel, New York. This night, as we gathered with our friends for the last time, we wondered what the future held, but knew we would never forget our high school days at Barringer High School.

# PROGRESS OF THE PIONEERS

It's a warm day in August, 1980, and the all-star class of June 1957, is having its annual reunion. Everyone is gathered in Barringertown, the small western town the Modern Pioneers established. Suddenly there is a lot of excitement in the crowd and everyone turns to see Jimmy DiNola noisily driving a truck on which there is a sign reading, "EAT AT BIASE'S." There's some more excitement when Jimmy parks his truck and bangs into the Cadillac belonging to the famous movie star, Lenny Caruso, whose movies can be seen at the Barringertown Deluxe Movie Theater, (25 seats). Overhead we see an airplane coming in for a landing, and after landing on the roof of the Lucky Dollar Hotel, (trapdoor service,) we see the pilot is none other than John Palmieri, and the air hostess is Teddy Agniesko, holding her favorite pet rabbit. Teddy is helping out a group of teachers and we see they are Maria Pici, Mary Ann Bryan, Arlene LaBaliva and Gaytha Iuliano. Sgt. Andre Ficello wants to put a ticket on the airplane for overtime parking, but Lawyer Elaine Lupo is talking him out of it. All this has made everyone thirsty, so everyone is going over to the Horseshoe Saloon. Bartender Joan DeSantis is giving out the drinks and trying to get some stories on her old classmates for her magazine, "Confidentially." Her ace reporter, Dorothy Smith, is talking to Rita Durange, who owns a fabulous penthouse in that Eastern wilderness, New York. Everyone quiets down as music starts and we all turn to see Charlie Sousa leading Ronnie De Maria, Anton Pierce, Wesley Mostello, Joe Vaccarelli, George Knecht, Albert Tahmoush and Edward Benz. An excellent floor show follows as Lucy Pappas dances, Calyie Perrie sings and Frances Molinaro tells some jokes.

After the floor show, some more guests arrive and join the fun. We see dress designer Marie Martino with her special model, Rosemary DeTore. We see Rosemary is writing a letter to her husband who is a Marine recruiting officer. Mrs. Gerald Grasso (Geraldine Claricuzio) causes quite a stir as she comes in with her 12 black-haired children.

Everybody is waiting for Geremia Barone, the first Lady-President of the United States, to arrive. Accompanying her will be Secretary of State, Joseph Martino. Something is coming down the street, and as we rush to the door we see it's the Cadillac Stagecoach. The stagecoach is equipped with power horses and power reins. Up in the driver's seat we see Norma Pettoni driving and Nicky Meola along side of her, ringing the Bermuda Bells. Stepping out of the stagecoach we see Mr. and Mrs. Richie Sivertsen (The former Nancy Schick). Nancy is worrying how her six dogs, three cats, and two canaries stood the trip.

All attention turns to Mayor Mario D'Elia as he announces there will be a contest. Phyllis Pallino, who is private secretary to John Saxon, is chosen "Queen of the Flowers." It's not too surprising since she's won for the last 23 years. Gerald Chieco is taking a picture of Phyllis and sheriff Richie Maiella is happily posing with her.

Across the street we see Palecco's Dancing School, and Janet Palecco is standing out in front of it handing out advertisements. Pete Ciccone is running around looking for lost sunglasses, but feels better when Janet offers him a free dancing lesson for only \$5.

The aroma of hamburgers reminds us we're hungry, so we all go over to Belotti's Luncheonette, of course owned by Richie Belotti. Ann Iannaccone is selling the hamburgers, Theresa Contursi is giving out the soda and Toni Parmigiano is sweeping the floor, (she's Mrs. Belotti.)

Outside, Jeanine Benenati and Mary Jo Yanuzzi are showing Frank Di Bianco and Tommy Landolfi how to lift weights. Dorothy De Santis and Jodie Nittoli are cheering them on.

Gallop down the street is Angela Raimo and Valerie Cetrulo, who own a summer camp. They stop to look in Lola Carnovale's dress store and find Louise Daniele modeling the clothes. Next door we see Anthony Vitello's store for men, and Frank Di Sessa and Joe Pascucci, (two teachers), are gazing into the storewindow.

Everyone turns when we hear a band playing and find that our class president, Jack Sauchelli, has arrived and with Jack's arrival our reunion is complete. We will leave this happy little scene and return to the present. May every person in the class find success and happiness in whatever his future may be.

In Memoriam

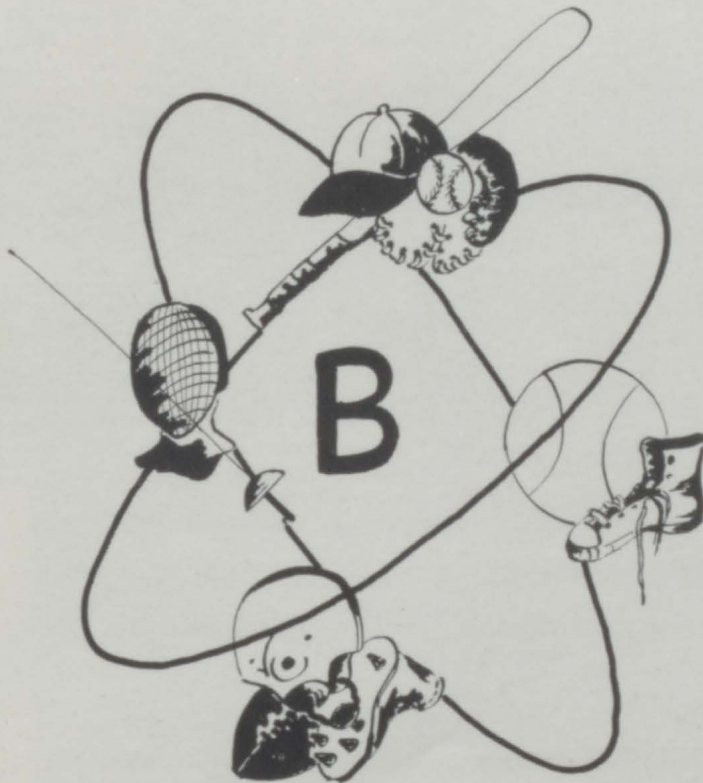

## GERALD I. CETRULO, M.D.

Dr. Gerald I. Cetrulo graduated from Barringer High School in 1924. He entered Dartmouth and upon graduation, received a B.C. degree in 1928.

Dr. Cetrulo coached all of Barringer's National Fencing teams. He also contributed much of his time to Barringer as a team doctor.

He was one of the few men who graduated from Barringer that was able to come back and bring honor to his Alma Mater.

He will live in our hearts for many years to come.

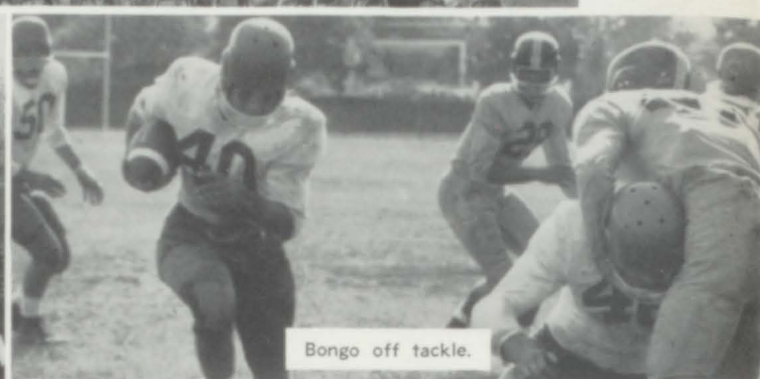

CITY

CHAMPS

Opps! too high.

Bongo off tackle.

## FOOTBALL

For the third straight year in a row the Big Blue came through with the CITY CHAMPIONSHIP. Under the coaching of Mr. Naporano, Barringer had one of it's best seasons with a 6 win, 3 lose record.

In our opening with Plainfield we lost to them 12-6 when they rallied in the final half, scoring their two touchdowns.

We next played South Side and came out the winner 33-0, scoring in every period.

Memorial gave Barringer it's second defeat of the season, 26-7 and then we went on to five straight victories.

First we ripped open Weequahic 39-0. Against West Side, our fifth game, we drove them into the ground by the score of 19-0, and came a step closer to the City Championship.

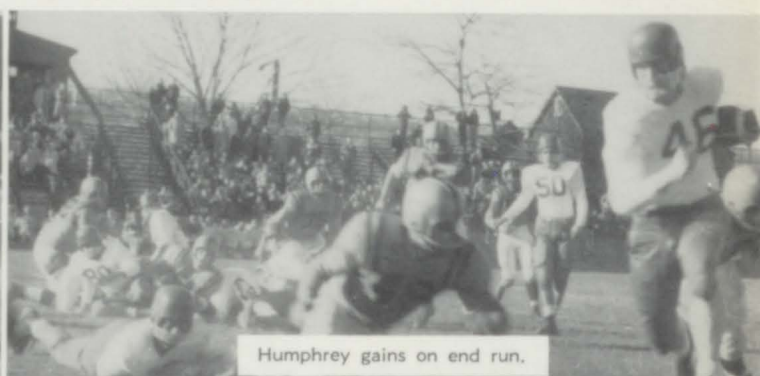

We just managed to beat an inspired Central Eleven 13-12, but the attempted conversion was blocked by a hard-charging Blue Line.

Barringer's fleet Backfield scored on three long runs and a line plunge to defeat a highly rated East Side Eleven for the City Title, 27-0.

Our next game was against Orange, and we had little difficulty in defeating them 39-10.

Ventola goes all the way.

Humphrey gains on end run.

Coaches.

**Richard Sivertsen**

One of the most natural ends to enter Barringer. Many of his shoe-string catches will long be remembered.

**Calyue Perry**

All City guard. His well-known speed on offense gave the team many breakaway runs which enabled touchdowns. Calyue was an important offensive punch.

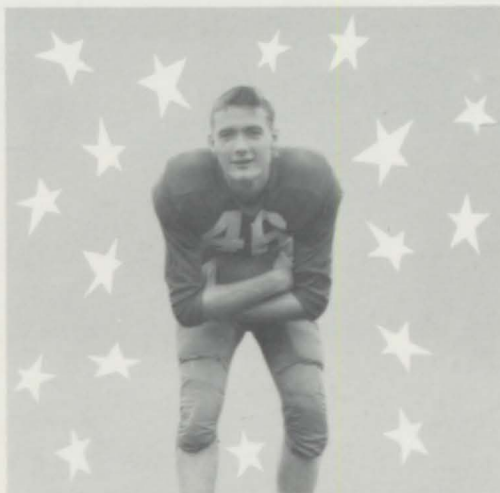

**Richard Maiella**

When Richard was in there, not many passes were completed or long runs gained.

**John Tischio**

John was a jarring tackler at his defensive position. Hard to charge his side of line.

**Bruce Humphrey**

All City, All County Back. Mr. Football. When Bruce set foot on the gridiron, a masterful exhibition of football was a sure result.

**Joseph Pascucci**

End. Joe's fine play and stick-to-it-ness gained him his Varsity letter.

**Rocco Salvatoriello**

Utility man on defense. He was one of the strong parts in a strong Barringer Defense.

**Kenneth Rocco**

All City Center. His berth on the All City squad was earned through his fine offensive and defensive plays.

**Thomas Landolfi**

Tackle. Any place on the defensive line spelled trouble when Tommy was in there.

## Fight! Fight! Fight!

### JAYVEE CITY CHAMPS 1956

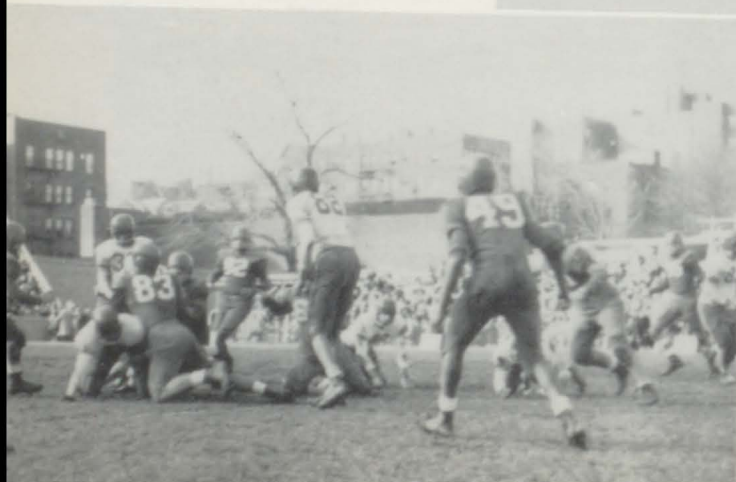

At the East Orange game, plagued by fumbles throughout, Barringer, a 20-13 favorite, was surprised by a spirited East Orange team 12-17 in the 60th anniversary of this annual grid contest. Bruce Humphrey went over from eight out to score the only Barringer touchdown. After trailing 7-6 at the end of the first half, East Orange took advantage of the Barringer fumbles and a pass interception to score their second T.D. East Orange's defense wouldn't give way, holding Barringer scoreless to win the Turkey day Classic 12-7.

Mr. Albano receives all-city J.V. trophy from Capt. Nick Forte.

Bruce Humphrey receives "Mr. Football" trophy from coach Naporano.

**Richard Warner**—Richard has an excellent hook shot and is a tough man to stop under the boards.

## BASKETBALL

Showing a great improvement over last year's team Barringer looked like a sure contender for the City League Title.

We opened the season with wins over South Side by a 58-40 score, Saint James by 61-48, and beat West Side 54-48.

After that we had a touch and go season. Fine plays by Freddy Brown, Richard Warner and Fred Mazza enabled Barringer to produce many wins and many upsets. It could not have been possible without them.

**Freddy Brown**—a fine passer and tricky ball handler. Has a good drive-in hook and a splendid two handled jump shot.

VARSIITY 1956 - 1957

Mr. Nap

John Palmieri

One of the Country's best quarter milers. He is one of our high scorers.

# TRACK

## CITY CHAMPS

For the past two years Barringer Track teams have dominated the City Championship and are well on their way for the third title.

Outstanding in their scoring ability is as follows:

Carl Farrell in the Hurdles and Broad Jump, Neil McDevitt, Richard Lednicky and John Palmieri in the distance events, and Bruce Humphrey in the sprints.

JUNIOR - SENIOR CITY CHAMPS 1957

Bruce Humphrey

County discus (56), city champ discus and hurdles—city indoor 60 yard dash title, country broad jump champ (57).

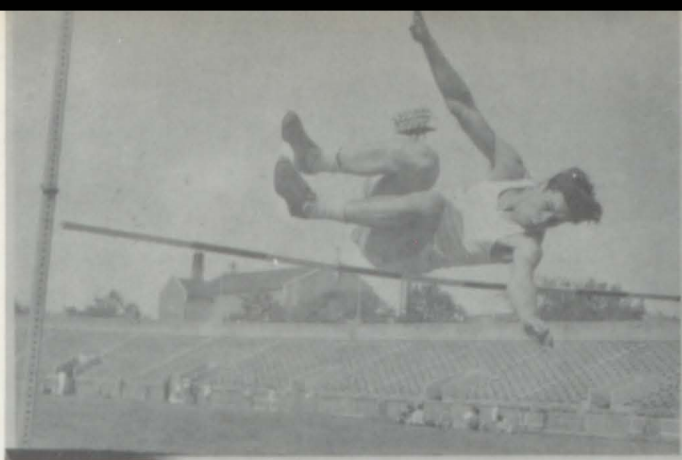

Neil McDevitt

The Big Blue half miler. His excellent running and consistency brought many points.

Calyue Perry

Big Cal, fast sprinter and strong shot were his middle name.

**Richard Sivertsen**

Richard was known for his kangaroo-like legs when it came to his hurdling and high jump.

**Joe Pascucci**

His constant running has made him a valuable asset to our track team.

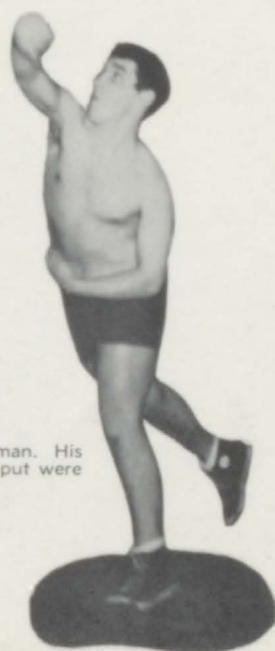

**Henry Campeotto**

One of our outstanding runners. He is a good man.

**Fred Brown**

Besides his hurtling, Fred could well win the city High Jump Crown.

**Thomas Landolfi**

Tom was another weight man. His mighty heaves in the shot put were a help to the Big Blue.

**James Di Nola**

The expert with the discus.

# BASEBALL

Last year's team won a City Championship and a Co-State title. Six men made All City, three made All County and one All State.

This year we have only seven letter men returning. Coach Clary Di Charia has to build an entire new team centered around these boys, Pitchers Fred Mazza, Joe Tuttle and Charles Sousa.

Captain Bob Jinks will start at second and at first we have Richard Warner. Taking over short stop is Larry Monocio.

This year's team will have a long way to go to beat last year's record, 18 wins to 5 losses, but we will be backing them all the way.

Fred Mazza, All City and second team All State, pitched 26 strikeouts against West Side breaking a school record, the game lasting thirteen innings.

**Bob Jinks**  
Captain  
Second Base

Bob played a strong defensive game. He never quit when chips were down.

**Richard Warner**  
First Base, Pitcher

An all around athlete whose work at first base and pitching was a great help to the Big Blue.

**Charles Sousa**

Our all city pitcher, his pitching arm helped Barringer to the city and state championship last year and may well repeat again this year.

**Ronald De Maria**  
Outfield

Ron came through with a few timely hits. His outfielding will be missed.

**Dominic Malinconico**  
Outfield

A two letter man, he could really run those bases.

**Steve Cataldo**  
Outfield

Another one of our strong reserved outfielders.

**Arlene La Baliva**

The twirling baton of Arlene has shown much talent and she has set an excellent example as captain.

**Phyllis Pallino**

A bubbling personality possessed with undaunted school spirit for without love and laughter there is no joy.

**Marie Martino**

Pretty dreamy-eyed Marie captivated everyone with her twirling and strutting ability.

**Dotty Smith**

Golden haired Dotty brightened the field with her excellent twirling and strutting.

**Janet Palecco**

Janet's winning smile has added much color to the squad . . . twirling par excellence.

**Nancy Schick**

Nan, the cute captain, is a joy to be with and her excellent Cheering was an asset to the squad.

**Theresa Contursi**

Terry's delightful ways made her a zealous cheerleader and a well-liked performer.

**Teddy Agniesko**

A twinkling eye, a light step, dynamic Teddy always has a Minute of merriment.

**Josephine Nittoli**

Jodie's sparkling personality has won her fame and she will be greatly missed for the spirit she has brought to the squad.

**Ann Innacone**

As merry as the day is long, Ann has been an enthusiastic and popular cheerleader.

**Gaytha Iuliano**

Jovial and smiling all the time, Gay has been an exuberant and vivacious cheerleader.

**Dorothy De Santis**

In her eyes a laughing devil accompanied with snappy cheering made Dot a stand-out on the Squad.

**Barbara Pope**

Bab's atomic energy and fun-loving disposition together with a bright smile made cheering look easy on the field.

**Jeannine Benenati**

Jeannine's Peppy style showed her as an ideal, cheerful picture of a B.H.S. cheerleader.

**Louise Daniele**

Pert Louise can be looked upon for her high stepping and attractiveness to the squad.

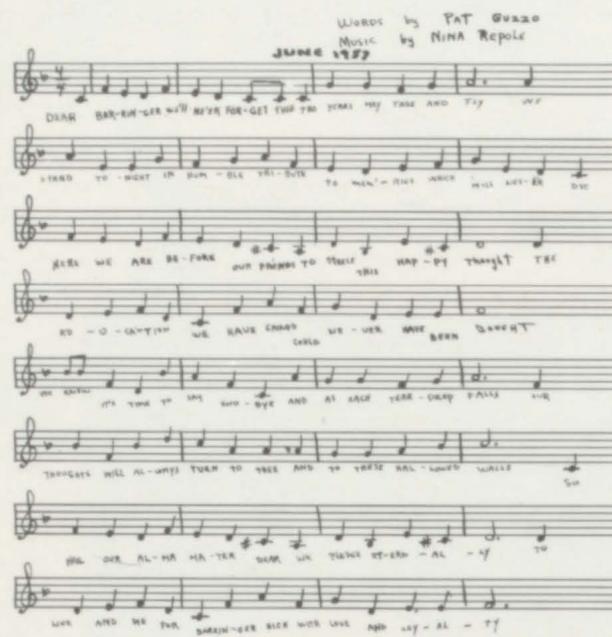

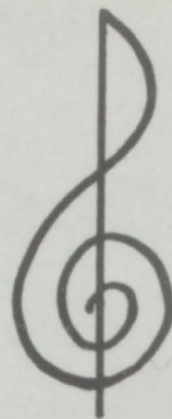

**Nina Repole**

Dark-eyed Nina's pleasing ways has made her an admired and talented twirler and she will be missed for her smile and friendly manner.
